Show times are between 7 and 8 AM on the first Saturday of every month. If you have a question you would like to have answered on the show, go to kutv.com/contact and fill out the email form. You can also visit www.petdiva.com for updates on current pet issues.

Pet Urgent Care is the first of its kind in Utah Valley, offering services week nights from 6 pm to 8 am the following morning and all day Saturdays, Sundays, and holidays. Pet Urgent Care is fully staffed during its hours of operation and is located at 428 West 800 North. Please call 801-765-1010 in case of emergency.

Home Again Microchips

Having your pet microchipped can help you recover your pet if they are lost. Home Again ID chips are as easy to get as a simple shot. The chip carries a number and is linked to your information. Most shelters scan pets for microchips and are required to contact the owner before putting the animal up for adoption.

* Riverwoods Pet Hospital offers microchips for just \$49.99 (includes registration fee).
