

RiverWoods Pet Hospital Newsletter

Winter Quarter 2008

Welcome to this issue of our Newsletter! We are excited to share important information, special offers, Staff Spotlights, and Pet Stars with you!

Staff Spotlight: Ariel

Ariel Martinez is our very hard working Pet Care Assistant. He currently attends Payson High School and loves soccer. Ariel is currently taking an MATC course in Veterinary Assisting and is planning on going on an LDS Mission next year.

Pet Urgent Care is the first of its kind in Utah Valley, offering services week nights from 6 pm to 8 am the following morning and all day Saturdays, Sundays, and holidays. Pet Urgent Care is fully staffed during its hours of operation and is located at 428 West 800 North. Please call 801-765-1010 in case of emergency.

Home Again Microchips

Having your pet microchipped can help you recover your pet if they are lost. Home Again ID chips are as easy to get as a simple shot. The chip carries a number and is linked to your information. Most shelters scan pets for microchips and are required to contact the owner before putting the animal up for adoption.

* Riverwoods Pet Hospital offers microchips for just \$49.99 (includes registration fee).

Pet Star of the Quarter: Magic

Magic is one of our hospital critters. We adopted him a few years ago when the BYU Veterinary Technician program closed. He has a loving disposition and enjoys cuddling with our staff and clients. Magic is spoiled by our staff and gets kisses and crackers every morning!
